SUNDAY REFLECTION

Transfiguration

Because of the unusual event that the Feast of the Transfiguration this year falls on the 18th Sunday of Ordinary Time, today's Gospel is the same as the one we heard on the Second Sunday of Lent. St. Francis de Sales challenges us to be transfigured in Christ through our daily activities:

At the Transfiguration Jesus showed us a spark of eternal glory. While the Prophet said, "I will never forget you...I have carved you on the palm of my hand," Jesus went further and said, "I will never forget you, since I bear your name engraved in My Heart." At the Transfiguration Jesus shows His flaming Heart of love for us.

Like the apostles who wanted to remain in Jesus' presence, we too must do likewise. So little by little let us leave behind all our affections for lowly things and aspire to the happiness that Our Lord has prepared for us. Where could we give better witness to our fidelity to God than in the midst of things going wrong?

There is a real temptation to become dissatisfied with the world and depressed about it when we have of necessity to be in it. Yet we will always encounter difficulties in the "busyness" of the world. To think that we can be holy without suffering is a delusion. Where there is more difficulty, there is more virtue. However, if we stumble, with trust and confidence in God's mercy, let us put ourselves back on the path of virtue.

Be like the honeybee. While you are carefully making the honey of holiness, at the same time make the wax of your worldly affairs. If our Lord finds honey sweet, so does the wax honor Him, since it is used to make the candles that give light to those around us. Let us focus on always being transfigured in Christ. What we will do and become as we experience the lovable Heart of our Master aflame with love for us!
