SUNDAY REFLECTION

Light of Christ, Light our Way

Light reveals something hidden in the dark. It is very important since it provides energy not only for animals but also for plants. Light provides physical energy for the development of all life, including human life. With Christ, light brings spiritual direction giving us a proper orientation to God. Jesus Christ brings a message that brings light to the darkness of any heart. It is the Good News about the truth of God's love capable of overcoming any obstacle no matter how dark. On many occasions the Bible uses darkness to refer to all that is opposed to God.

We can understand this when John insists that God is the light and in Him there is no darkness. "We heard his message, from him, and announce it to you: God is light and there is no darkness in Him. If we say we are in fellowship with him, while we walk in darkness, we lie, instead of being in truth. But if we walk in the light, as he is in the light, we are in fellowship with one another; and the blood of Jesus, the Son of God, purifies us from all sin". (1John 1:5-7) One can interpret this literally as, "God is light! This means that He is the illuminator." In other words, the creator is also a "generator". This can be deduced in Genesis when God says, "Let there be light!" In God there is no darkness. We are assured of God's supremacy over sin and its insidious corrupting nature.

Jesus says, "I am the light of the world." He gives light to the blind who cry out to him. He is the light of the world. He sheds light upon the darkness of sin. He gives humans the opportunity to escape from the dark grip of sin to the light of God's love.

The First Reading from the Prophet Isaiah foretells that the light of Christ; the light of love, has come into the world. The Son of God walked this earth and a great light shone out. It is the light that led the first disciples to leave all and follow Him. We live in this light, love and meaning. The Good News which Jesus preached is akin to a great light which comes to deliver those who dwell in the land of Darkness.

Yes, brothers and sisters, Christ is the light. He has not been parcelled out. The real light for us is recognising that the other person is made in the image and likeness of God. Christ's light should bring love and unity instead of division.

In the Second Reading, Paul laments over those who have not experienced Christ in this way. He laments because some are far from this experience. We must follow Christ our love, our light and our God. The light of Christ is like a magnet which draws everyone. This light drew young fishermen to abandon their nets and become His followers. . Jesus is calling us to be the light of the World, to leave sin and to love God. It is time for us to say resolutely, "Light of Christ, light our way, light our way as we go".
